3 Policy

3.1 Electronic Access

The Museum will provide electronic access to its collections and to information about them.

Electronic access will be the preferred method of providing access to collections in storage, where appropriate.

3.2 Electronic Registration

The Museum will adopt electronic registration as a standard.

3.3 Information Systems

The Museum will develop an integrated information system to improve access to knowledge about the Museum's collections, including those of the Library and Resource Centres.
