DATE OF BIRTH (OPTIONAL): \_\_\_\_\_

At a Special General Meeting of the Auckland Museum Institute (AMI) on 30 Sept 2020, AMI members voted in favour of changes for existing and new AMI memberships. As a result, AMI members are now invited to join the new Auckland Museum Membership programme in addition to their existing AMI membership and at no additional charge for the next three years. By opting into Auckland Museum Membership, you can partake in exciting new benefits such as free unlimited entry to charged exhibitions, discounted or free parking at selected events, 10% discount at the Museum cafés and much more.

While statutory partners, AMI and Auckland Museum are separate legal entities. To comply with Privacy laws all current AMI, Life and Kaitautoko members who would like to take advantage of the new Museum Membership benefits will need to opt-in to the Museum Membership programme by January 17 2021. This will enable the Museum Membership team to send out new Membership cards and Welcome packs and start communicating with AMI members.
